

Volunteer

Accountant

Accountant

Are you looking to build on your C.V and obtain some work experience? You may not want a career in the Fashion industry but if you have a keen interest in our work and would like to see what goes on behind the scenes then this could be for you. Have a look below at some of our current voluntary positions and see how you can get involved.

Key responsibilities and duties will include:

Working with sales team and director to agreed budgets, sales volume, and time scales

Create, organise, and update financial reports relevant to fashion classes

Analyse and interpret financial data, sales figures, income and costs

Working with director in the management of business and financial strategy

Reporting to company director on daily progress

Providing support and assistance to other departments when necessary

Attending relevant seminars and training

The ideal candidate would have the following:

Strong background in accounting

Highly advanced mathematical, management and strategic skills

Excellent communication and teamwork skills

Interest in fashion, charity work and investing in others

Interest in becoming a part of a growing company

Proficiency in Excel and other Microsoft Programmes
